Neil-

It's really up to you. It would probably be easier for me to be there at 2 if that works for you (I'm not sure how many other witnesses you may have), and if anything changes before then give me a call to let me know. As for the district courts, 2 are in Springfield, so that wouldn't be a problem. As for the one in Northampton, I really doubt that it will go, and I can let the ADA know that, if they need mw, it will have to be in the morning.

Hi Sonja, we have been ordered to trial on 10/11 (Tuesday). I see you are also scheduled to be in three District Courts, but we wouldn't be getting to you until the afternoon anyway, would you prefer to be on call? Thanks!
